

IS RECRUITING

**Clinical gait and movement specialist (part- or full-time)**

For our HUMAN MOTION LAB specialized in clinical gait and movement analysis we are seeking a colleague to join our team. You will be responsible for carrying out the tests, interpreting the results and producing the reports for the clinical team. Furthermore, you will support the *Healthy Moves* project funded by the André Losch Fondation and will be integrated in different clinical and research programs in collaboration with the Centre Hospitalier de Luxembourg (CHL) and the Luxembourg Institute of Health (LIH). You will report to Prof. J. Cabri, Scientific Director of LIROMS.

Requirements:

1. Master in Physiotherapy or related area (e.g. sport science, ergometry, biomechanics)
2. Interests in gait and movement analysis
3. Experience in neuro-pediatrics is an advantage
4. Skills and competencies in social care
5. Autonomous time and work management
6. Languages: English and German are a must, French or Luxembourgish is an advantage

We offer:

Full-time or part-time position

Permanent contract (CDI)

Motivated team of clinicians and researchers, physiotherapists, and engineers
